The out-of-state fingerprint vendor or Illinois live scan vendor chosen to take the out-of-state resident's fingerprints must complete this form as written confirmation that a valid government issued driver's license or State ID was presented and that the identification provided belongs to the individual being fingerprinted. The vendor must fill in the TCN on this form. The TCN is verification fingerprints were taken. **The form must be signed by the applicant in order to authorize the release of criminal history record information that may exist.** (See Page 2).
